

Fundamentals of Advanced Light Microscopy

Steffen Dietzel Head of BMC Core Facility Light Microscopy

July 2017

Session 1 & 2: Friday, July 21 9:15-12:30

Session 3 & 4: Friday, July 28 9:15-12:30

Seminar room N01.017, Biomedical Center Munich
Großhaderner Straße 9, 82152 Planegg-Martinsried

An introductory or refresher course for advanced users
and aspirants in the field of light microscopy.

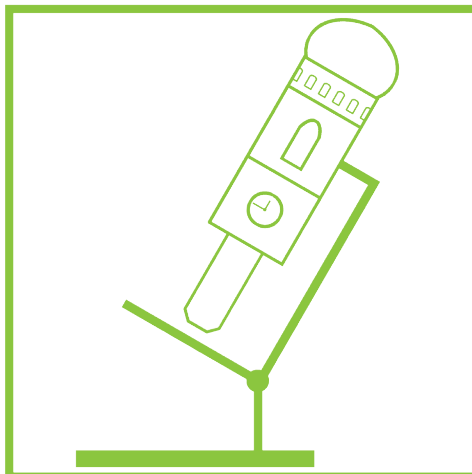

Open to all interested – undergraduates and graduates

Free registration <http://www.bioimaging.bmc.med.lmu.de>

Course Topics:

- Optics
- Image processing
- Digital imaging
- Confocal LM
- Deconvolution
- Multi-photon LM
- Superresolution
